Sir:

In response to the Office Action mailed November 8, 2001, please amend the above-identified application as follows:

**In The Claims**

Please replace claim 13 as shown below. A marked up version of the amended claim is attached to this Amendment.

13. (Amended) A method of attaching a head rest guide tube to a seat back frame having a substantially flat section having opposing sides with an aperture formed therethrough, the method comprising:

- (a) inserting the guide tube into the aperture; and
- (b) swaging the guide tube over the flat section of the seat back frame, whereby to secure the guide tube within the aperture.
